SECOND EDITION

From Richmond.

Telegraphed expressly for the Bulletin.]

RICHMOND, April 17.

The Senate to-day passed a Bill making provisions for the issuance of Coin for the Confederate States, to bear such devices as the Secretary of the Treasury may advise.

Also, the House Bill making Augusta (Ga.) a Port of Entry for Goods arriving via Charleston.

Nothing is positively known of the object of the visit of the French Minister. Among various conjectures is one that he has come to ascertain what Commercial Treaties with France are contemplated; and whether the Independence of the Confederacy will be maintained; and report to the Emperor.

SECOND DISPATCH.

RICHMOND, April 17.

The House has passed a Bill to provide for the safe and expeditious transportation of troops and munitions of War by Rail Roads, by six majority.

The Bill creates the office of Military Cheif of Rail Roads and transportation,—salary $5,000 per annum.

From the Peninsula.

Telegraphed expressly for the Bulletin.]

RICHMOND, April 17.

An official dispatch received this evening from Gen. Magruder, makes no mention of any subsequent fighting on the Peninsula.

He refers in terms of high commendation to the behavior of our troops in the affair of Wednesday.

FORWARDING OFFICE S. C. R. R. Co. CHARLESTON, March 15, 1861.

THE South Carolina Railroad Company having determined to discontinue this department of the service, the undersigned, who has been the forwarding Agent of the Company for the last four or five years, has associated with him the Chief Clerk in the department, and, under the name of GANTT & STONY, will continue to RECEIVE and FORWARD such articles as may be consigned to his care. He trusts, by strict personal attention, to retain a very liberal share of the business of the department.

Parties are reminded that *all goods* now reaching this port from points beyond the Confederate States of America, must be entered at the Custom House, and that duties are payable on such as are not purchased on or before the 28th February last, *and laden on shipboard on or before the 15th March instant*, save such as are on the free list. It is therefore necessary that remittances be made to pay the duties where duties are payable, AND IN ALL CASES TO COVER THE EXPENSE OF CUSTOM HOUSE ENTRY, WHETHER THE GOODS ARE FREE OR NOT. Prompt compliance will prevent delay and expense, as all articles not entered and permitted will be stored by the Custom House officers. The South Carolina Railroad Company will advance, as heretofore, the charges of freight, drayage and warfage, *but not the expenses connected with the Custom House.*

Rates of charges for forwarding will be very moderate and may be had on application to GANTT & STONY, to whom all business communications should be addressed.

The undersigned refers to the officers of the South Carolina Railroad Company, to the customers of the Forwarding Department, and to all merchants of standing in the city of Charleston, and respectfully solicits a liberal share of patronage. JAMES L. GANTT.

Late Forwarding Agent S. C. R. R. Co.

A CARD TO THE PUBLIC.

THE NEWBERN

Daily and Weekly Progress,

IT IS ALREADY KNOWN TO THE PUBLIC that the unceremonious entrance of Burnside into Newbern on Friday last has compelled the temporary suspension of the PROGRESS. This was a barbarous and villanious proceeding of old Burnside, inasmuch as it has deprived the public of the advantages of a good paper, besides the inconvenience to the citizens of Newbern.

By the discomfiture of our arms at Newbern, I have lost everything I had in the world—presses, type, and stock and other office material and furniture and other property of all kinds, is all gone—but still I hope to be able to make arrangements at an early day to issue the PROGRESS at some point not very remote from the old stand; this will depend however upon the extent to which Burnside is able to penetrate the bowels of the land.

Having lost all I have, I must urge all who are indebted to the PROGRESS office to make immediate settlement. Though in the army my address will be for the present, Goldsboro, N. C.

☞ Papers in the State that receive the PROGRESS in exchange will please copy or notice this card. J. L. PENNINGTON.

THIRTY DOLLARS REWARD,

WILL be given for the apprehension and delivery of David Reid, who deserted Company E., 34th Regiment, North Carolina Troops, at Camp Mangum, near Raleigh, N. C., 13th January, 1862.—Said Reid is supposed to be thirty-seven years of age, five feet eleven inches high, sandy hair, blue eyes, red complexion and down look, nothing promising indicated in his appearance. Said Reid's residence is Caldwell county, N. C., where he is supposed to be lurking. Bring him in and receive the money.

HILLSBOROUGH RECORDER,

DEVOTED TO

POLITICS, AGRICULTURE, MISCELLANY, GENERAL NEWS.

PUBLISHED BY

DENNIS HEARTT,

HILLSBOROUGH, N. C.

WITH the present volume the RECORDER commenced the fortieth year of its existence, the first number having been issued the 10th of February, 1820; during all which time we have labored to make our paper interesting and useful, and we hope that in these particulars we have not been altogether unsuccessful. It has been our wish to make the RECORDER a good family paper, devoted to Politics, Agriculture, Miscellany, General News, &c., with a view to the entertainment and improvement of the farmers and citizens of the circle in which it is distributed. Our Agricultural department we endeavor to fill with the best selections we can make from all sources, giving preference to such as will be of practical use to the farmer and cultivator; and in this particular we hope to make the RECORDER as valuable to the agriculturist as any periodical of a purely agricultural character. In our Miscellaneous department, we shall confine to be as we have always been, careful to select such articles as will have a tendency not only to amuse, but to improve the mind and heart. While we shall be thankful to receive well-written articles to adorn our columns, we are not so ambitious of originality as not to prefer selected matter of superior merit, to loosely-written and ill-digested articles, though ornamented at the top with the coveted words—"Written expressly for the RECORDER." In our News department we shall take special pains to present to our readers the latest intelligence; and to enable us to do so we have facilities equal to those enjoyed in any portion of the State, except those favored with telegraphic communication.

PROSPECTUS

OF THE

STATE JOURNAL.

HAVING become the proprietor of the *Democratic Press*, I have merged that paper into the STATE JOURNAL, which will be published Semi-Weekly and Weekly.

The STATE JOURNAL will advocate Democratic principles in the broadest sense, and will support and defend Democratic measures and their advocates as they are presented, and as occasion may require. In other essentials it will be my aim to make the paper, what its name denotes, a State Journal—eschewing all sectional considerations and working for the entire State and her common interests.

As soon as arrangements can be made, the whole paper shall be re-modeled and printed with new type, on good paper, and in a superior manner.

The Editorial department will be properly attended to in the various branches, and will speak for itself. Neither labor nor expense will be spared in the management of the paper.

The terms of the State Journal will be as follows:

Semi-Weekly, per annum.....$4 00
Weekly.....2 00

These terms will be insisted upon *invariably in advance.* No name will be put upon the list without the money, and all papers will be discontinued at the expiration of the time for which they have been paid, unless the subscription be renewed. I am satisfied, from years of experience, that upon no other footing can any newspaper hope to succeed.

Advertisements of a proper character will be inserted at the following rates:

One square, first insertion.....$1 00
Each subsequent insertion.....25 cents.

A liberal reduction on these rates for yearly advertisers in the Semi-Weekly. In the Weekly edition the full rates will be charged.

A NORTH CAROLINA PAPER

FOR THE TIMES!

A large Eight-Page Weekly, published in Greensboro, $2.00 a year, $1.00 for six months.

THE TIMES contains weekly forty columns of choice matter, specially adapted to the family circle. It is neither sectarian nor political, but by being courteous to all sects and parties, it is the constant aim of the publishers to present in its columns whatever may elevate the people and enrich the State. The publishers would earnestly appeal to the families of North Carolina to give THE TIMES a trial; for it is for six months, to see if it be not as well to patronize home papers, as those from abroad; to build up home interest, as a State pride, and to scatter our substance and our means among strangers. Give THE TIMES a trial and then let it stand upon its merits.

WHAT IS SAID OF THE TIMES.

"The Times I regard as the very first of our Southern Literary Weeklies."—Rev. C. F. Deems.

"I know of no Weekly published anywhere, that is so deserving of public patronage as the Times."—Rev. J. B. Edwards.

"There is no pandering to a vitiated taste, every article is of a moral tendency, and calculated both to amuse and instruct."—Washington Herald.

"One of the handsomest weekly papers published in the Union."—Spirit of the Age.

"Let the people of North Carolina encourage their own newspapers."—Raleigh Standard.

THE CHARLESTON MERCURY

A POLITICAL, COMMERCIAL AND LITERARY NEWSPAPER

PUBLISHED DAILY AND TRI-WEEKLY

THE MERCURY gives daily reports of the Market and Marine Intelligence in Charleston, and of Charleston commerce in the leading seaports of the world. The Weekly Prices Current is made up with much care, and from the most reliable sources. Its connection with the "Associated Press" insures the latest intelligence by Telegraph and the earliest news by Steamers from Europe. It has an able and accomplished Correspondent in London (a gentleman connected with the editorial staff of the London Times,) and regular Correspondents in New York, Washington, Key West and Havana. The monthly New York Fashion Letters and weekly letters on Life in Washington are additional attractions in favor of its lady readers. Its literary notices, from the pen of a gentleman who occupies perhaps the highest position among the literary men of the South, are discriminating and comprehensive. Attention is paid to all matters of general concern, especially those in reference to the Planting and Agricultural interest, and to the current news of the day. Great care is taken that nothing shall appear in its columns which should be excluded from the family circle.

The political creed of the Mercury coincides in the principles of the Democratic Party, as laid down in the Virginia and Kentucky Resolutions of 1798 and 1799—the Sovereignty of the States; a strict construction of the Federal Constitution by the General Government, the agent of the States; Free Trade, and an economical Administration of the Government. Its policy is the Union of the Southern States in maintaining their rights.

CHARLOTTE, March 1, 1862.

Court of Inquiry.

After the battle of Newbern, which resulted in the defeat of our forces at that point, some charges of unsoldierly conduct were preferred against Lieut. M. D. Craton, by Col. James Sinclair. This led to the call of a Court of Inquiry, which was held—with the result indicated—at the camp of Brig. Gen. Ransom, March 31st, 1862, by virtue of the following order:—

HEADQUARTERS DEP'T OF N. C., March 27th, 1862.

GENERAL ORDER, No. 8.

At the request of Col. James Sinclair and Lt. Col. M. D. Craton, 35th regiment N. C. Troops, a Court of Inquiry will assemble on Monday, 31st March, 1862, at the camp of Brig. Gen. Ransom, to examine into the circumstances connected with the conduct of the above officers in the late battle below Newbern, and report upon the merits of the same. The court will sit without regard to hours.

DETAILS FOR THE COURT.

Brig. Gen. Robert Ransom; Col. Clingman, 25th Reg. N. C. Troops; Lt. Col. Robert H. Cowan, 2d Reg. N. C. Troops; Lt. J. S. R. Miller, 1st Reg. N. C. Troops; Judge Advocate. By command of

[Signed] Maj Gen. T. H. HOLMES.
Archer Anderson, A. A. G.

By a special order from Major General Holmes, dated March 20th, 1862, Lieut.-Col. R. H. Cowan, 3d regiment N. C. Troops, was relieved from duty on the Court of Inquiry, and Lieut. Col. Meares, of the 18th regiment N. C. Troops, appointed to act in his stead.

The court met pursuant to the above order and, heard the testimony of Gen. L. O'B. Branch: Capt. Thos. B. Brem, 10th reg. N. C. Troops; Capt. J. M. Kelly, Thomas J. Oates, Adjutant 35th N. C. Troops; Col. R. Campbell, 7th N. C. Troops; Capt. H. M. Dixon, 25th N. C. Troops; Major Petway, 35th reg. N. C. Troops; and Col. C. C. Lee, 37th N. C. Troops; and there being no further evidence to introduce, the Court was closed, and after mature deliberation on the evidence adduced, find the facts as follows in regard to Col. Sinclair: That Colonel Sinclair took his proper position during the engagement, was calm and cool throughout, and remained there until the right wing of his regiment, which was seperated from the left by a section of artillery and an independent company, gave way; that he went towards a portion of the retreating men and ordered them back to their entrenchments, and then took his original position; that he afterwards received the order to retreat, and gave the order to his regiment; that the retreat of his regiment to the camp of Col. Vance was formed there and conducted in tolerable order to the railroad, where he gave the order to his regiment to get on the cars, this without authority; that after the regiment was ordered off the cars by Gen. Branch and formed, the retreat was conducted in order, until the report of pursuit by the enemy's cavalry; that he then consulted with his men as to a surrender, stating that Col. Lee recommended a surrender, whereas Col. Lee advised no such course, but on the contrary, urged them to make a stand; that Col. Sinclair afterwards assisted in the formation of a rear guard and offered to remain with Col. Lee and the rear guard, and after the correction made by Col. Lee, encouraged the men to fight and not surrender; and after the regiment was again formed the retreat was orderly to the end.

From these facts the court forms the opinion (as it has not the right to approve or disapprove of the conduct of Col. Sinclair on the occasion) that, under the present emergencies of the service, no further proceeding is now necessary in the case.

R. RANSOM, Brig.-General, President.

Jno. S. R. Miller, 1st Lieutenant and Adjutant 1st N. C. T., Judge Advocate.

The same court heard the testimony of Gen. L. O'B. Branch, Capt. Thomas H. Brem, Major O. C. Petway, 2d Lieut. W. H. P. Langston, 35th N. C. Troops; Capt. A. M. Dixon, 25th N. C. Troops; 1st Lieut. J. R. Warwick, 35th N. C. Troops; and there being no further evidence to introduce, Lieutenant-Colonel Craton requested to have the accompanying order, granting a leave of absence, attached to the proceedings, thereby showing that he was desirous of being with his regiment on the day of battle, although his leave had not expired by two or three days.

The court was then closed and proceeded to deliberate. After mature deliberation on the evidence adduced, the court finds the facts as follows:

That Lieut. Col. Craton was on a leave of absence which had not expired, joined his regiment before the battle commenced, was in his proper place during the engagement, and rallied the militia at one time, and subsequently his own men when given way, afterwards joined the main body of his regiment with a portion of his command, continued with it during its retreat, assisted in forming it at different points, continued with it in his proper position until reaching the town of Newbern, then left it temporarily and rejoined it in its further retreat until a report came that the enemy's cavalry was in pursuit; a consultation was called, and a proposal made to surrender, and a majority of the officers and men present favoring the proposal, Col. Craton protested against the surrender, and said they should not surrender him, and left. The court is, therefore of the opinion that no further proceedings are necessary in the case.

R. RANSOM, Brig. General, President.

John R. S. Miller, 1st Lieut. and Adj't 1st N. C. T. Judge Advocate.

A Very Liberal Offer.

We take pleasure in referring to the very liberal offer made by Junius A. Fox, Esq., of Charlotte, to the families of soldiers who have gone from Mecklenburg and are engaged in the defence of our country.

This proffered liberality reflects great credit upon Mr. Fox, and it teaches those who may not be able to engage in the mortal strife upon the battle-field that they can, if they are disposed to contribute of their wealth, nerve the arms of those who are able to endure the hardships and risks of an engagement.

Mr. Fox has done well, and we hope his example will be properly appreciated.

From the Border.

We learn (says the Atlanta *Confederacy*,) that a gentleman from Nashville states that the Louisville *Journal* has declared for peace, the further prosecution of the war could only result in devastation and unnecessary expenditure of money and blood.

It is also stated that Lincoln, a proposed emancipation policy had completely revolutionized Kentucky.

Further, that the order for Indians troops to quell the rebellion of the Kentucky troops did result in the firing of the latter upon the former, and the killing and wounding of four hundred of the Indianians.

The Yankees admit the loss of eighty-six guns in the battle at Corinth, of four thousand killed and wounded and eight thousand prisoners—twelve thousand in all.

Prayer for the Navy.

The following form of prayer has been issued by Rt. Rev. Stephen Elliott, Episcopal Bishop of Georgia, to be used in all the Churches of his Diocese:

O, Eternal Lord God, who alone spreadest abroad the raging of the sea; who hast compassed the waters with bounds, until day and night come to an end. Be pleased to receive into Thy Almighty and most gracious protection the persons of Thy servants, the officers and crews of our fleet, and especially the Virginia, now engaged in active service. Preserve them from the dangers of the sea, and from the violence of the enemy; give them victory in their various conflicts, that they may be a safeguard into the Confederate States of America, and a security for such as pass on the seas upon their lawful occasions; may they return in safety to enjoy the blessings of the land, with the fruits of their labor, and with a thankful remembrance of Thy mercies to praise and glorify Thy holy name, through Jesus Christ our Lord—Amen.

SUNFLOWER SEED OIL.—As this is the season for planting, it may be well, in the general scarcity of oils, to inform farmers and planters that sunflower seed makes an oil useful for many purposes, and is an admirable substitute for olive oil for table use. It is easy to cultivate and yields abundant seed.

NO COTTON.—The Legislature of Arkansas has passed an act prohibiting, under a heavy penalty, the planting of more than two acres of cotton to the hand.

The Northern papers announce that Jos. H. Sears, of Boston, Yankee postmaster at Port Royal, S. C., intends to start a paper there to be called the *New South*.

SOUTHERN CHRISTIAN ADVOCATE.—At a meeting of the Bishops of the M. E. Church, South, and some members of various boards, held in Atlanta, Ga., lately—

Dr. Green moved that the Christian Advocate and the Southern Christian Advocate be united, and, till the next meeting of the General Conference, published in Atlanta, Ga., under the joint editorial control and management of Drs. McTyeire and Myers. Agreed to.

Bishop Pierce moved that the Publishing Committee of the Southern Christian Advocate be requested to comply with the wishes of this meeting as expressed in the foregoing resolution. Carried.

THE WOMEN OF THE SOUTH.—Both Houses of Congress have unanimously adopted the following resolution of compliment and thanks to the women of our Confederacy. Never was praise more justly bestowed. Never had any people such a support and stimulous to their gallantry, as have been supplied to the Confederate soldiers by the women of our land. May they always have brave men for their defenders!

Resolved by the Congress of the Confederate States of America. That the thanks of the Congress of the Confederate States are eminently due, and are hereby tendered, to the patriotic women of the Confederacy, for the energy, zeal and untiring devotion which they have manifested in furnishing voluntary contributions to our soldiers in the field, and in the various military hospitals throughout the country.

STOCKHOLDERS MEETING.

CHARLOTTE, April 17, 1862.

Owing to the imperfect notice given, less than a quorum of the Stockholders in the Mecklenburg Gun Factory, met at the Court House in Charlotte, on Thursday the 17th instant. But the minority present organized themselves into a meeting by requesting David Parks, Esq., to act as Chairman, and appointing A. C. Williamson, Secretary.

On motion, the Charter was read by Joseph H. Wilson, Esq., and approved by the meeting.

It was considered that the notice published to meet to-day was illegal. The meeting was therefore adjourned to convene again on Monday, the 28th instant, and publication by advertisement, in the three town papers to that effect, was directed to be made.

Before the meeting adjourned, the following persons were appointed a Committee to report a code of By-Laws for the government of the corporation, to wit: David M. Lee, Isaac N. Alexander, Dr. J. H. Gibbon, L. T. Wilhams and A. C. Williamson.

The meeting then adjourned.

Attempt to Poison our Army.

The Corinth correspondent of the New Orleans *Picayune* says that a most diabolical attempt was made by the enemy to poison our army in that vicinity. The following is the way it was done:

After our army fell back from Nashville and while at Murfresboro', large quantities of quinine were smuggled through to our lines by persons who had purchased it from Yankee venders, and which was sold to the medical purveyors of our army. Fortunately there was no occasion to touch this lot of quinine thus purchased and distributed to the different surgeons of commands, for a few days, when Surgeon Lawrence, the medical director of Gen. Hardee's division, who is a most thoroughly educated and scientific physician and surgeon had occasion to examine the packages, and discovering a slight discoloration, applied the Chemical test and found that the quinine was mixed with a large quantity of strychnine and morphine. He immediately apprised the surgeons and medical purveyors of the facts, and telegraphed those at a distance.

The Capture of Savannah, Ga.

The North is evidently looking fasward to the capture of Savannah. One of their papers says:

Let us hope for the capture of Savannah, the second in importance among the ports of the Southern Confederacy, would be indeed, a brilliant link in the recent chain of Union victories. It would be a dreadful and almost crushing blow upon the heart of the Rebellion. It would lead tens of thousands in Georgia to begin to reckon the value of secession, and to compare the value with the cost.

GRANITEVILLE COTTON GOODS.—The following are the latest wholesale prices at the Graniteville factory:

Granitevill Drills,	19 cents.
7-8 Shirting,	11 "
3-4 Sheeting,	11 "

The prices asked in this city by some dealers are 26 to 28 cents, and in Richmond 32½ cents.

Citizens and purchasers can tell from the figures given above, what the goods cost dealers.—*Charleston Courier.*

THE BRITISH STEAMER RINALDO.—A party of gentlemen left Norfolk on Saturday last in the steamer S. S. Anderson, and visited the Rinaldo, now lying in the Roads. They were not permitted to go on board, the subjects of the Queen informing them that they could hold no communication with us! Her officers and crew, however, evinced great pleasure at the visit, waved their hands and hats, and responded to the cheers given them by the party on board the Anderson. The Norfolk Day Book does not altogether understand their assertion that they had instructions to hold no communication with us, and says if such instructions were really given, it is high time we had taken the hint and thrown ourselves back upon our dignity.

LOOK OUT FOR SPIES.—There is no manner of doubt that this Confederacy is overrun with spies—the hirelings of Lincoln, paid a good round sum to do this infamous work in our midst. Among these spies may be classed a set of men who, without "visible means of support," and hailing from no place in particular, enlist in our volunteer companies, pocket the bounty money, and leave suddenly for parts unknown—probably to repeat the process elsewhere.

We heard of a case in point yesterday. Two men—full muscular fellows, it was stated—were enlisted as recruits in one of our volunteer companies. A portion of the bounty was advanced to them, since which time they have been missing. They may turn up again, and be all right on the goose, but appearances are decidedly against them. The men were strangers well dressed, and had on Confederate military capes.

It would be as well for our people to be on the alert. "Eternal vigilance is the price of liberty." The bold, reckless daring of the fellows who ran off with the train from Big Shanty, under the noses of our men, shows that spies are actually sent amongst us, and that they have the hardihood to undertake anything to further the dispicable cause of their master at Washington. These spies who enlist in our army have a twosfold object—plunder, and the opportunities the position gives them to watch our army movements. Look out for spies!—*Augusta Chronicle.*

GEN. A. S. JOHNSTON'S FAMILY.—In consideration of the fact that Gen. A. S. Johnston leaves a large family without resources, the Savannah Republican proposes to have a fund collected from voluntary offerings for their relief as the best monument and memorial to the gallant hero and General.

Should the proposition meet favor and call forth donations, we shall be pleased to aid in the good work.

[*Charleston Courier.*

A LESSON FROM THE PAST.—We cannot too often recur to the lessons of the past, in this our hour of trial. Read what is stated by a reporter concerning the glorious and ever memorable defence of Fort Sullivan (Moultrie) in June, 1776:

"When the British appeared off the coast there was so scanty a stock of lead, that to supply the musketry with bullets it became necessary to strip the windows of the dwelling houses in Charleston of their weights. Powder was also very scarce. The proportion allotted for the defence of the fort was barely sufficient for slow firing. *This was expended with great deliberation.* The officers in their turn pointed the guns, and with so much exactness that most of their shot took effect."

Grievous as may seem our trials and discouragements, we are yet in far better condition than our fathers were in '76. We have as good a cause, and we oppose a more bitter and diabolical foe. In all things and all conditions of success, we are in better plight than they were—excepting only a John Rutledge, and he will no doubt be brought forth, if we do our duty and press on with unyielding determination.

[*Charleston Courier.*

CAUTION.—We hear frequently of late of soldiers dying suddenly after taking doses of medicine which, if pure, would be inadequate to produce any serious consequences. This may be accounted for by the fact that some apothecaries are in the habit of buying the drugs of itenerant vendors, who profess to have run the blockade. Apothecaries should be very cautious how they use medicines procured in this way. If they must buy them, they should, before using them, see that they are subjected to infallible chemical tests. The Yankee nation will make use of any means, however base, to reduce the rebels.

WANTED!

A BATTALION

OF

INDEPENDENT SKIRMISHERS.

Permission has been granted Capt. WM. LEE DAVIDSON to raise the above corps. General RANSOM desires such an organization attached to his Brigade.

Three Companies of the above description are more effective than one whole regiment of regulars. It is the same mode of warfare that was carried on in the revolution. Let us harass and annoy the enemy in the rear. One more appeal is made to old Mecklenburg and the surrounding Counties. The Conscription act requiring all men between 18 and 35 years of age, to enter the service, has passed the Confederate Congress. The last appeal is made to all within those ages to promptly respond to this call. Especially of our own dear county let it be said—"Many have done WELL, but THOU excellest them all." Organize immediately, elect your own officers, arm with shot guns and to the field.

Battle at Fort Macon.

SLAUGHTER OF YANKEES.

We are indebted to the editors of the Wilmington *Journal* for the annexed important news from Fort Macon, dated

WILMINGTON, April 18.

To the Editor Charlotte Bulletin.)

Private letters dated the 17th inst., says the enemy made an attack on Fort Macon on Saturday last, and that the battle lasted two days.

Col. White sent out a party of men on the beach, after the battle closed, to reconnoiter, and they found three hundred of the Yankees that had been killed.

Our forces was attacked and fifteen of our men were killed, when the balance retreated to the Fort.

Col. White threw canister at the enemy killing a large number.

The enemy have built a battery two miles from the Fort, on the beach, and have planted mortars and large sized seige guns.

Eleven large ships are outside, and the enemy have sent to Newbern for gunboats to operate in the sound.

The enemy is committing every imaginable outrage in Carteret and Onslow counties.

The Fort had not been taken up to Wednesday last.

Last Moments of Gen. Johnston.

The Atlanta *Confederacy* publishes the following, which purports to be from one who was well posted as to the incident alluded to:

The death wound of Gen. Johnston was inflicted on the calf of his right leg, and was considered by him as only a flesh wound. Soon after receiving it, he gave an order to Gov. Harris, who was acting as a volunteer aid to him, who, on his return to Gen. Johnston, in a different part of the field, found him exhausted from loss of blood, and reeling in his saddle. Riding up to him, Gov. Harris asked: "Are you hurt?" to which the now dying hero answered: "Yes, and I fear mortally," and then, stretching out both arms towards his companion, fell from his horse, and soon after expired. No other wounds were discovered upon his person.

PREPARE FOR A DRY SUMMER.—It is more than probable that a very dry summer will succeed the heavy rains and freshets of the past winter. It is, therefore, most important that every prudential measure should be adopted in arranging for the crops, with a view to meet this more than probable contingency. Planters should select their lands best adapted to drouth and plant at different times, so as not to risk all upon the chances of one dry spell. Then let them, in preparing for their crops, PLOW VERY DEEP! and let the after-culture consist of a constant SHALLOW stirring of the surface—keeping the ground mellow and open, and allowing no grass or weeds—those robbers of moisture—to get the least foothold among the cultivated plants.

Thus, and thus only, so far as human skill can avail, may the fatal effect of drouth be prevented. The result must be left to Him "who giveth the increase;" but who hath also ordained that by man's labor and skill properly directed, must he win his food and raiment from the earth.

Home-Made Salt and Soda.

To the Editors of the Dispatch:

I am a subscriber to your daily paper, therefore am indebted to you for what information I possess in regard to the above named articles. You noticed, without going into the details of the process, that salt could be made from the earth taken from the floors of smoke-houses. I fully tested it, and find that it yields abundantly. Prepare a barrel as for ashes, with plenty of straw in the bottom, fill it with the scrapings from the smoke-house floor, gently dripping it, fill a vessel, boil it gently down to the consistent dryness, then place the salt in a flannel or thin cotton bag, and drain it till no water will leave it; after which spread and dry in large dishes. It proves very strong and excellent salt for ordinary purposes. Some adhere to the sides of vessels in which it is boiled; if ground, it makes a nice table salt. It must be boiled some distance from the fire, so that it will not burn at the side next to the fire, which makes it too dark for culinary purposes.

I have devoted much time and attention to this salt matter in order to test its value to myself and others, and can confidently say that it has exceeded my expectations.

SUBSTITUTE FOR SODA.

I burned the corn-cobs to fine ashes in a large iron vessel; to one pint of ashes put one pint boiling water, or equal quantities of ashes and water, simmer them for a short time over a slow fire, take off, let settle, pour off into bottles for use; to each pint of flour put one tablespoonful of this extract, and it makes a richer and as light bread as soda. I have tried it successfully in cakes, fritters, and puddings. At such a time as this it becomes every lady to make an effort at independence, and how can we accomplish it better than by practicing home industry, and economy! And if these shall prove of any benefit to our Southern ladies or families, I am more that repaid for my trouble.

Respectfull Yours,
MRS. T. H. TRENT.

SALT.—One hundred and sixty-eight sacks of Liverpool Salt were sold yesterday by Mr. James M. Taylor, at the store of Messrs. D. R. Williams & Co., on Meeting-street, at $2.87½ per sack.
